REGISTER ON OUR NEW DATABASE FOR CONTRACT EMPLOYMENT OPPORTUNITIES

Statistics South Africa (Stats SA) provides scientific knowledge that enables society to understand complex socio-economic phenomena. It draws its mandate from the Statistics Act, 1999 (Act No. 6 of 1999) and the POPI Act 2013 (Act No. 4 of 2013). Stats SA strives to excel in the following five competencies: • Intellectual capability to lead the scientific work of statistics • Technological competence for purposes of large-scale processing and for complex computations and accessibility of information to the public • Logistical competence for deployment of (forward and reverse) logistics of large-scale field operations and for strategic choices regarding operational efficiency and cost-effectiveness • Political competence in understanding the political environment without being political or politicised (commitment of delivery without fear of favour) • Administrative competence: the ability to bring it all together.

INVITATION:

Register on our new database for contract employment opportunities

NB. Due to the upgrading of the system; applicants who previously registered on the HR contract database need to re-register.

Stats SA undertakes various surveys and projects, for example, Census, Community Survey, Labour Force Survey and General Household Survey, amongst others. From time to time these surveys and projects require that contract staff be employed. You are invited to register online for inclusion on the database used to identify potential candidates for these contract positions as and when required. As the projects are conducted in every area of the country, people of every racial group and from all areas are encouraged to apply.
