

CALL FOR PROPOSAL

CALL FOR PROPOSAL: (P 01/2024) - CALL FOR PROPOSAL FOR SERVICE PROVIDERS TO CONDUCT TRIAL AND ERROR EXPERIMENT FOR THE REQUIREMENT OF THE LANGEBERG MUNICIPALITY

Langeberg Municipality is in process of procuring the coagulant product, which is cost effective, comply to ISO 9001:2015, National Sanitation Foundation (NSF), suitable for drinking water purification, effective to the raw water from different source within the jurisdiction and most importantly to comply with the final product of the drinking water quality standards according to SANS 241:2015. The suppliers/manufactures are hereby requested to use an Accredited Laboratory preferable AL Abbots and Associates on their coagulant product then provide the analytical results and the report to the Langeberg Municipality. The interested suppliers/manufactures will be required to have service level agreement with the laboratory to collect raw water samples at their cost as from 20 May 2024 at the following sites:

- ASHTON WATER TREATMENT WORKS
- ROBERTSON WATER TREATMENT WORKS

The bidders are requested to conduct FULL SANS 241:2015 and submit the report by the 31 May 2024 at 12:00.

Any enquiries regarding the proposal document can be directed to Mr. Xhanti Maliwa on 023 615 8000, email: xmaliwa@langeberg.gov.za
